HT (Heat Treatment) or DH (Dielectric Heating)

Stichting Markering Houten Verpakkingen (SMHV) is the Foundation implementing the Wood Marking Program in the Netherlands in compliance with the International Standards for Phytosanitary Measures for regulating Wood Packaging Material in International Trade (ISPM 15). ISPM 15 has been developed by the International Plant Protection Convention (IPPC), being part of the Food and Agriculture Organization (FAO) of the United Nations. In the Netherlands ISPM 15 has been implemented in the control protocol SMHV. The control protocol SMHV contains the requirements that a company must meet in order to be registered at SMHV.
